Revolution Youth Group

Revolution Youth Group is an outreach of Cornerstone Alliance Church in Poulsbo, WA. Our focus is to inspire our students to live and breathe for Jesus Christ and to enter into a deeper relationship with Him as we enter into community with one another.

REGULAR EVENTS

WEDNESDAY NIGHT YOUTH GROUP

This is a weekly event in which students come together to enjoy fellowship with one another. The time consists of games, worship and a message. It takes place at the church and generally starts at 7:00 p.m.
Contact Sonny Gonzalez for more information.

SUNDAY MORNING "TEEN TENT"

This is the Sunday school service for teens. This event meets during the second service (10:30 A.M.), in the upstairs classroom, and is generally a time for the students to come and dig deeper into their own personal questions in a friendly and non-threatening environment.
Contact Kirk Marks or Sonny Gonzalez for more information.
